The applicant has evidenced their intentions to apply the relevant fire safety guidance provided by the National Fire Chiefs Council.

Provided the guidance, or an alternative solution that is considered equivalent to the guidance, is delivered by the applicant the authority currently has no adverse comments to offer at this time, however.

The applicant is requested to provide copies of both the Risk Management Plan and the Emergency Response Plan as outlined within the Fire Safety at Planning Stage & NFCC Compliance Note document provided.

Yours sincerely,

Jonathan James
