Dear Chris,

I would be grateful if you could agree to an extension of time until Friday 20 December 2024.

Please be advised that this is very much dependent on resolving the matter with the Great Crested Newts within the next day. If this is not resolved, there is a strong risk that the application will not be taken forward to committee. I checked with NatureSpace this morning who confirmed that no payment has been made as yet.

Kind regards,
